

The Truth About TRANSGENDER STUDENTS AND SPORTS

DID YOU KNOW?
8 million kids
participate in high
school sports in the US ¹

This includes an
estimated 35,000 trans
kids who play sports ²

That's less than
half of one
percent.

**8 Million
Student
Athletes**

**35,000 are
transgender
students**

Only .44%
—less than half
of one percent
—of all high
school students
in sports are
transgender

DID YOU KNOW?

Of the 35,000 transgender students in high school sports, **fewer than 5** have won state-level competitions.
